Strategic Approaches to Communication, Change, Leadership and Life

Speaking and Workshops:

Change Able Leadership

Change methods for achieving strategic goals.

Make Your Voice Count

Tips and tactics to be heard and have influence speaking.

Effective Communication in the Modern Workplace

Capture what's not being said, improve listening skills, and understand how security, shelter and social contact influence communication, performance and productivity.

Emotion & Negotiation

Strategies and techniques to manage your emotions and those of others to maintain an optimum negotiation environment.

Hue Speaks for You

Color: What is it saying about you? What is it saying to you? How to use it to your best advantage.

Lindsay Brown is an energetic and engaging speaker, trainer, facilitator, consultant and author. There will be fun and interaction. She *brings* more than 15 years of experience as a business owner, district sales manager and management and IT consultant.

Lindsay has presented to Fortune 100 and 500 companies. Best known for her storytelling, she has earned a reputation for "bringing results" – informed and innovative processes and tactics for continual improvement and measurable results. Lindsay helps audiences discover their next steps upon returning to work. A healthy belly laugh and enthusiasm are always present in large measure.

Lindsay is the survivor of a failed kidnapping. She relies on her faith in God and her passion for life. She encourages self-motivation by sharing real life experiences of overcoming and achieving in work life and personal life.
